

## Executive Committee Work Summary

---

Name	Position	Date Submitted	Reporting Period
Melinda Moore	VP Finance		January 2014

**Consultation and Representation:** Worked to prepare the 2014-2015 budget to propose to the Finance Committee, Executive Committee, and ultimately Council in the early part of February. I have been working to assess the impacts of the current AUNBT job action on the GSA finances and student finances. Considering increasing office hours.

**Research and Legislation:** N/A

**Committees and Boards:** The Finance Committee, Executive Committee, Special Committee on Voting Methods, and Constitution and Bylaw Committees all met to discuss the start of term. The Finance and Executive Committees have both worked to draft a budget to be presented to council in February. The Special Committee has extended its deadlines to reflect difficulties with reaching University administration at this time.

**Financial Oversight:** Still waiting on the statements from the accountants. Receiving these will be a major factor for improving the overall organization of the GSA's day to day financial operations. The bar looks forward to hosting viewings of the World Cup 2014 in the summer, projecting a boost to revenue during the summer.

**Projects and Goals:** Finalize the proposed budget for 2014-2015 and bring this to council. By extending the deadline for tuition payments, funding has not been collected by the University on behalf of the GSA. Investigate further the implications on the GSA finances of prolonged job action (including the viability of continuing to exercise the 2013-2014 approved budget as normal).

**Announcements:** If someone would like to join the finance committee you are welcome. We have one council position vacant. Please let me know.
