

**Executive Committee Work Summary**

**Consultation and Representation**

- Attended Executives meetings. Removed the non-working link on the main menu (The Grad House). In addition, added a page for Union of Graduate Student Workers in the GSA webpage. This has been done after a request we received during our meeting with the UGSW Executives. This will help students to distinguish between the two entities and their responsibilities.

**Research and Legislation**

**Committees and Boards**

**Events Hosted**

**Projects and Goals**

6 responses received for the last poll. Most of the time people come to GSA website to look for information. Two people came looking for information regarding GRC, which we did not include many information about. I think this is a good indication that we should make GSA website the main source for information about GRS (e.g. timing, presenters, etc)

**Announcements**

This will be my last report as I will be leaving my position as VP Administration soon.
