

**Executive Committee Work Summary**

---

Name	Position	Date Submitted	Reporting Period
Ismael	VP External	June, 2016	June 2016

**Consultation and Representation**

The contract was signed by president with student VIP.  
 One meeting was held by UNB counselling service regarding the new plan added to the H&D contract “ Student Assistance Program” this plan has some conflict with the services that UNB is offering so there will be evaluation after the first year of contract to see how students have been using it and if it is not useful it will be removed from the plan.

Consulting with student VIP for making the new contract, the draft was made, and many points have changed in the contract, because student VIP was trying to imply a point in the contract that GSA will have continue the contract with them after the two years contract.

**Research and Legislation**

**Committees and Boards**

**Events Hosted**

**Projects and Goals**

The new rate of H&D plan is less than what it was in the last years, there will be a decision to be made for the new rates and how students can get the differences back.
